President's Letter June 2026

June has been a very busy month for the club. First we had our annual Karl Mey's show. The weather was great on the day of the show regardless of the fact that it had rained the previous night. The rain, however, did not affect the show field at all. People still remember that years ago we had a muddy field, which caused a decrease in attendance by 50%. This was definitely not the case this year!

At our June 18 meeting, we had discussions on several topics. The most important discussion centered around the distribution of trophies. After much discussion, it was decided by unanimous vote that club members would not be eligible for a trophy but will continue to pay the $20 admission fee as does everyone else. Members will be entitled to a t-shirt and will be able to vote on non-members' cars. No voting will take place on members' cars. Also we will try to park our club cars in a designated area, if possible. I will have special window plaques created so people will be able to distinguish between member and non member cars. Hopefully, this will eliminate the problem concerning a group of vocal non-members who have been complaining about the voting situation.

The next topic of discussion involved the awarding of trophies versus wall plaques. Both items would be the the same price. As a result of the vote, we decided to continue awarding the trophies at the Haldeman Show and distribute plaques to Marazzo winners. We will try this to see what people would prefer.

Switching to the topic of food, it was the decision of the members that we drop both the spring and fall covered dish venues. The attendance at these venues has dropped in the past year. By doing this, the club will save at least $1800. We will continue with the holiday party as everyone appears to enjoy this event.

Our next show is the Classic Car Show at the Needle Creek Brewery in Pennington, N.J. Please attend if possible. It would be nice to have a good showing of club members!
