President's Letter April 2024

Get Ready For Showtime! In the next 50+ days we will be hosting 2 major car shows - Hamilton Honda and Karl Meyes. Please get your cars ready and plan to put on your yellow club vest and report to Rob to get your work assignments at the Hamilton Honda show. For those who will be helping, please arrive between 7:30 & 8:00 A.M. The club appreciates all the help from its members.

Again this year we have had a problem contracting food suppliers for the shows. I was able to get the "Hot Dog/Muffin People" for the Karl Meyes and Haldeman shows. We will be selling Italian Hoagies, chips and water for the Hamilton Honda Show. Next year we will have the "Hot Dog/Muffin People" for the 3 shows. Please distribute flyers to your friends as well as at any show you attend. If you need more flyers, please call Rob.

Mike Pawelczak is recovering nicely at the Avalon Care Facility in Hamilton. I spoke with his wife and she reported that he will be there for a few more weeks before returning home. Please keep him and other members who are experiencing health problems in your prayers.

Diane Muller is helping with the secretarial duties and organizing the new roster. Jennifer De Luca continues to take orders for t-shirts and golf shirts. Please place your orders so she can meet the minimum requirement for an order.

Thank you to all for the fine food everyone brought to the covered dish event in March. I apologize for the poor quality of the main dish. That was the worst corned beef I have ever eaten. Last year was so much better, so I am speaking with other caterers for next year's event. I am looking forward to our pancake breakfast at Jimmy's American Grill. We will discuss the specifics of this event at our next meeting. **On our next meeting night April 18, at 7 pm, we will again have Hobby Night. Please bring your favorite hobby.**

Edward J Tirello, Jr. President

CARS' N PARTS FOR SALE OR WANTED

Vintage lawn and garden tractors wanted. Anyone who has or knows of anyone disposing of said items, please contact Rob Chamberlin 609-865-5907
