President's Letter April 2025

Since the weather has been very unpredictable, we have decided to use our rain date for the Hamilton Honda Show. Actually, there is a ray of sunshine in all of this in that a competing show has also moved their show date. We have already made arrangements to avoid a date problem with them. Included in this newsletter are flyers for all of our next shows and cruise nights. If you attend regional shows, please take copies of our flyers and hand them out at the shows. While Rob goes to a lot of the regional shows and does live broadcasts about them, he still needs help to distribute the flyers. Please pitch in!

At the last meeting, we presented the "President and Malcom Minion Awards" to Joe Kmiec and Joe Shedelbower for their help and dedication to the club and to our car shows. Thank you both!

We continue to receive calls from nursing homes and senior care facilities to put on a mini car show for their patients. Our biggest problem in these situations is the lack of member participation. I would like to discuss this at our next meeting and get member input.

Please do not forget that April 17 at 6 pm is our corned beef and cabbage night in conjunction with our covered dish night. The club will supply the main dish which is corned beef and cabbage, potatoes and carrots. Members will bring a dinner favorite to share with the members in attendance at the gathering. In closing, as people see the amount of activities our club sponsors (shows, cruise nights and internal events), I have been receiving calls from people interested in joining our club. Please continue to spread the good word about our club and its activities.

I wish to congratulate our Vice President Rob Chamberlin on the announcement of his engagement to Noreen Novowglosky. A 2026 wedding is planned. We all wish Rob and Noreen all the best as they start their lives together.
