### **President's Letter April 2026**

We have had a busy month with many club activities. Our first car show was at Hamilton Honda and it was a big success! The Honda show had about 100 cars and a number of new people attended. The weather was excellent and everyone appeared to have a great time. Our next activity was the covered dish event which featured a corned beef and cabbage dinner with all the sides. The dinner was attended by about 35 members and friends. Attendance was significantly less than the 55 people we had last year. A number of our regular members were absent so I hope the smaller attendance number was a combination of weather issues and other personal commitments. On a more positive note, we signed up 4 new members. As you know, we need new younger members to keep the club alive. Let's hope this trend continues!

At the meeting, we had a candid discussion about which awards we will distribute in the future. We currently hand out about 75 trophies including all categories. We are now thinking about whether we should just hand out 50 awards which could include 3 D wall awards or trophies. We will get estimates for the awards from our current supplier as well as a supplier Bill Hartig has found. We will compare those estimates and then make a cost effective decision to provide both types of awards. (Our current supplier has not raised our price in over 3 years.)

Our Karl Mey's Show is on June 7, with a rain date of June 14. There will soon be other shows in the area so there will be many chances to hand out flyers for our upcoming shows. Call me or Rob for any needed additional flyers. Remember that the more shows we advertise, the bigger the potential for greater show attendance!

A special thanks to Pat Thayer and her group for distributing the leftovers to the needy families in the community. It is the mantra of the club to do good deeds in the community so this donation is truly a worthwhile endeavor.
