## **President's Letter**

I am sad to report the passing of one of our longtime members, Dominick Misciascio, the brother of one of our current members, Joe Misciascio. Dominick passed away on July 11. We send our condolences to his family.

July has been a busy month for the club. We had our club picnic at Pat and Darryl's home in Hamilton. 23 members and their spouses attended which was less than expected. Perhaps this was due to the expected rain which never occurred. I hope attendance will be much better next year. We had our scheduled cruise night. Due to predicted rainfall for the cruise night, we had a light turnout for it. That being said, we still do not have many members participating in the event. Remember that the activity was designed to be a social gathering for members and a way to attract new members. Please try to support the club by attending the cruise nights. They are free and Hamilton Tap and Grill offers a 10% discount on food.

During the next few months, we have several events coming up which I hope will encourage attendance. We have been asked to bring our cars to the Clover Meadows Health and Rehab Center on **August 31, 2022 between 2 pm and 4 pm. It is at 112 Franklin Corner Road, Lawrenceville, NJ.** The club will be paid for this event. I will have more information about this at our next meeting.

We are pleased to welcome Mike Grissinger to our car club family. I hope the trend of recruiting new members will continue. Everyone should promote the club at the various events attended by members during the summer. Please see me or Rob for our show flyers or application forms. Our next meeting will be on:

**AUGUST 17, 2022 at 7 PM at the Hamilton Library.**

See you all there!

*Edward Tirello, President*
