December 2022

President's Letter

We were just informed of the death of William Gawroski, a former member of the club. May his soul rest in peace.

We will not have a club meeting in December as the library is booked.. Our next meeting will be on **January 19, 2023 at 7 p.m. at the Hamilton Library**. We are getting close to scheduling a new venue for the cruise nights. The old K-Mart site in Hamilton seems to be the one the members prefer. I have spoken to the person who runs an informal Monday night event and he has agreed to allow us to hold ours in conjunction with his event. I am waiting for permission from the mall to allow us to join him. We need insurance coverage before we can formally co-sponsor the event. We will have our holiday party on Saturday night, February 18, 2023. More news about the party will be in the January 2023 newsletter. Please save the date!!!

At our last meeting we voted for directors. Tom Seaman was re-elected and Joe Masciascio (our former VP) was elected for the position of Director. Congratulations to both of you! We need a small enclosed trailer to store our cruise night materials on site. Please keep this in mind in the event that one may become available. We need a volunteer to manage our club store. Club dues are still \$25. Please don't forget to pay them asap. Many clubs are increasing their dues as costs have increased due to inflation.

At the next meeting, I will have flyers available for the cruise nights, Karl Meyes, Haldeman, and Route 130 Honda shows. Please take some to distribute to friends. We have had a lot of comments about the fairness of the shows' judging as to the topic of "older cars vs. newer cars". As a result, we are planning to set up 5 categories. We will present the category information at the next meeting. We are planning to utilize a computer program that Earl uses at his Monroe club events.

The executive committee and I wish you and your families a wonderful holiday season

Edward Tirello

President
