## **President's Letter**

I am so pleased to inform all of you that we now have an indoor destination for our meetings until the library is open again. Massimo's Cucina in the Foxmoor Shopping Center in Robbinsville has agreed to let us meet there. We are permitted to use their catering hall next to the restaurant. It holds approximately 50+ people so with social distancing, we should be fine. The deal is that we must order food. The executive committee feels that the club can order pizzas and soda to be served during the meeting. The club will pay for the food. **The meeting will be at 4:00 p.m. as usual on 2/18/21 - the third Thursday of the month.** The restaurant has ample parking and it is convenient to almost all of our members. The meeting and the food are open to all dues paying members.

Unfortunately, it is sad to report that we have lost several of our club members in the past year. Pete Stoki has passed away. He went into the hospital for an operation and contracted COVID. We have no information as to a memorial for him. His daughter in Delaware is handling the disposition of his estate. If I receive any further information, I will let you all know. Our prayers go out to Pete's family.

The executive committee has been working through the winter months and we have put together a program for 2021. We have spoken to Karl Mey's and we are in the process of solidifying the date for our show on April 18th with a rain date of April 25th. We are working now to have flyers printed. The Route 130 Jeep Chrysler Dodge show is on June 6th, 2021 with a rain date of June 13th, 2021. We are working to complete plans for this show. Our fall show with Haldeman Ford is tentatively set for October 10th, 2021 with a rain date October 17th, 2021. We have left the summer months open for club members to attend other shows and cruise nights. We hope to have the summer cruise nights solidified by our March meeting. We hope to have 2 cruise nights a month, on the second and fourth Tuesday of the month during the months of June, July, August and September. We will also have a D.J. and trophies at the shows.

All of our shows and cruise nights require the participation and help of all of our members. We had an outpouring of help at the Haldeman show last year and hope we will have the same participation in 2021. These shows give us the revenue to pay for our club events such as our club picnic, covered dish nights and other events. So thank you in advance to all of you who will come out to help!

*Edward J. Tirello, Jr. President*
