President's Letter

With a heavy heart, I have to announce the passing of one of our long time members Bill Kraft. People remember the Studebaker and Hudson which were among his many cars that he brought to our shows. He will be missed.

We have changed the dates of the Karl Meys Show to April 16 with a rain date of April 23, 2023. We have also changed the number of voting classes from 5 to 2; 25 years and older; and 25 years and newer. This should make it much easier to judge and it will eliminate any concerns anyone may have. Peer judges will be asked to judge only those cars in their respective category. We will use color ballots to tell the classes apart.

Flyers and a large postcard flyer will be available for the three shows as well as for the cruise nights. Please distribute as many flyers as you can.

We are having 2 covered dish nights, one on March 16, 2023 (a St Patrick's Day theme) when we will serve corned beef and cabbage. In October 2023 (a Halloween theme), we will serve a roast beef dinner. The dishes will be provided by Foley's Family Market. Our March 16 meeting will begin 1 hour earlier at 6 p.m. Please bring a favorite dish to the event. The club will provide plates, cups, coffee and water.

We have not had a hobby night for a number of years and since a number of members have requested it, we will have a hobby night on April 20, 2023. We will discuss this topic at our next meeting. We have had 40 people sign up for our holiday party at Tessara Restaurant at 812 Route 33 in Hamilton. I am glad to see that so many of you have planned to attend.

Just a note - to those who have not yet paid their dues, you will not be receiving a newsletter unless you pay your dues! I hope to see all of you at our next meeting.
