### **President's Letter July 2024**

The heat of the summer is now upon us as well as our car show season! I hope you are out showing your beautiful cars. As you all are aware, we are sponsoring a classic car show on August 18 at the Hamilton Tap and Grill. The rain date is August 25. We are hoping for a big turnout.

We are planning to try a new voting system. Cars will be judged by a group of our members using a standard voting sheet. We will discuss the system at our next meeting. Rob has experienced this system and he feels that it will eliminate a lot of problems associated with peer judging. As you know, we have a lot of complaints about the peer judging. I feel that this system may eliminate problems and it may increase show attendance in general. We have been approached by a number of show presenters who would like us to take over their existing venues. We will explore these opportunities at our next meeting.

Our cruise nights are not quite a hit!! We have competition and a number of our members attend other shows. We offer this experience so members can spend time together discussing their cars. We will discuss this issue at our next meeting since we have expenses connected with this venue.

Since "The Classic Car Show" is our newest show, we need to have everyone put "additional muscle" into its preparation and presentation. Please distribute flyers at any shows you attend. Rob is spearheading our effort. See him to get flyers.

On a sad note, one of our founding members, Emily Proda, has passed away at the age of 98. In addition, Bill Hartig's brother recently passed away. God rest their souls.

I spoke to our club secretary and his sight is improving. I am sure he would appreciate a friendly call. I hope to have our club roster completed and printed by our next meeting. Each of you will be mailed a copy. If you have any deletions or additions, please give them to Diane. Enjoy the rest of the summer. I hope to see all of you at our cruise nights, meeting, and Classic Car Show! **Our next meeting is July 18, 2024 at the Hamilton Library at 7 pm.**

Edward J Tirello, Jr.

President
