President's Letter March 2026

Our 2026 car show season will begin at Hamilton Honda on April 12, 2026 with a rain date of April 19, 2026. The weather is predicted to be mild with no rain forecasted so far. With 2 weeks to go before the show, I hope that all of you are handing out flyers and information at shows or events which you attend. We need a good attendance in order to make this show a big success! It would be helpful if each club member would speak to at least two fellow car enthusiasts to convince them to attend our shows. Please make an effort to do this and to help as much as possible! As a reminder, the Karl Mey's show is on June 7 with a rain date of June 14. Please help Rob distribute flyers and please speak to potential show participants to encourage them to become club members. Your help is crucial to our success!!

It is always a pleasure to start the show season with a social event which includes a delicious meal. As such, we will have our annual St. Patrick's Day covered dish event on April 16. The event will start at 6 p.m. and our general meeting will begin at 7 p.m. as usual. As has been the custom, the club will provide the main course which is corned beef, cabbage, potatoes, and carrots. We ask each member to bring a side dish or dessert.

While we have 5 shows scheduled for 2026, I am working on a sixth show to round out the season. In order for our club to experience continued success, we need more people to join our club. Each member should try to recruit new members. If you know of a potential candidate, call me and perhaps we can invite them to our covered dish night.

If anyone would like to submit an article to be published in the newsletter, please email the article to elainetirello@gmail.com. Any information pertaining to items "for sale" should be emailed to the same address.
