September 2020

President's Letter

Our second cruise was a big success. We had over 35 cars and Rob gave out 12 trophies. Everyone followed the rules and parked in the designated area (we roped it off to avoid any problems). Most people wore face masks and social distanced. Please remember masks are mandatory at any type of event since our current and future sites will require them. Remember that there are insurance ramifications involved in any gathering which does not follow government rules and regulations.

We will be having cruise nights during 2021. We will try to have 2 per month during June, July, August and September using the first and third Tuesday of each month. We will also negotiate rain dates for each cruise night date. We will have a D.J., toilet facilities, and trophies at each event. As the weather changes and the days get shorter, we have decided to hold our outdoor meetings at a venue with a roof over it. The meetings for September, October, and hopefully November will be held at Veterans Park in Lawrenceville (see attached map in the newsletter). The address is: 100 Oaklyn Terrace in Lawrenceville. The above meetings will start at 4 P.M. Oaklyn Terrace is the street between the light at Eggerts Crossing Road and the light at Darrah Lane on route 206 in Lawrenceville.

Regarding our last 2 events for 2020, which are the Haldeman Ford Show and the Holiday Party, we hope to have final decisions on both at our September 17th meeting.
