April 2021 Newsletter

President's Letter

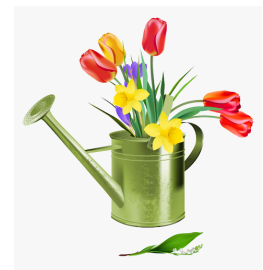

The weather is finally breaking and the car show season is about to begin. Our first show is the Karl Mey's show on April 18th, 2021 with a rain date of April 25th. We have everything lined up - the trophies, D.J., food and ice cream trucks, as well as the shirts and the port-a-potties. We will need help on two fronts for the show. First, we need to mark out the grounds to park the cars. All those interested in helping, please be at the Karl Mey's field at **2 p.m.** on **April 17th**. On the day of the show, we will need as many helpers as possible to man the registration tables, park the cars, and help with other tasks. If you would like to help, please arrive at **7:30 a.m.**. Thank you in advance to all those who will help. Special thanks to Penny Jones and Patrice for posting our show on various sites and special thanks also to Earl Brancolino for posting it on 3 major websites.

We will be discussing the show at our general meeting on **April 15th**. The executive committee has decided that our meeting time should be at **6 p.m.** at Massimo's Cucina in the Foxmoor Shopping Center to accommodate those who have to work and cannot make the earlier meeting time. We plan to again have pizza and soda compliments of the club.

It is with a heavy heart that I have to report that another member has passed away. Howard Whitworth, age 76, passed away on March 19th. He and his Model A Ford will be missed.

The executive committee has decided to make a big push to sign up new members. We are going to offer a student rate to young people and a 50/50 prize which will include 2 free one year memberships. We will have a separate membership table at all of our functions from now on. For now, we will keep the membership incentive program which gives a free 1 year membership to anyone who brings in a new member. We awarded the Malcolm Minton Award to Robert Chamberlin. He has devoted many hours to helping the club revive the cruise nights. We will award the President's Award at our April meeting. I hope to see all of you at the April 15th meeting and the Karl Mey's Show.

Edward J Tirello, Jr President.
