April 2022

President's Letter

Well, it looks like the gods have finally smiled upon us. The library is now opened for meetings. We have secured the dates we need for our club meetings. The next meeting will be on **April 21, 2022 at 7 p.m.** I am looking forward to seeing all of you at the meetings. We have a lot to discuss. First up on our agenda is the start of our car show season with the Karl Mey's show on April 24, 2022. The show starts at 9 a.m. and ends at 2 p.m. All those who volunteered to help should be there by 7 a.m. to help set up, etc. We will discuss the particulars at our April meeting. Rob will be in charge of the set up. I will do the 50/50 and we will have our DJ and photographer on the scene. We are setting up the food stand across from the registration table. This year we have a vendor of model cars on site. If the vendor idea works, we may expand it to subsequent shows.

At our last meeting, we discussed possibly changing the name of the club. After a lively discussion, it was determined that we would not change the name. I have had lanyard name tags made for all dues paying members. If you do not have one or would like to have a new one, please see me after the meeting. We continue to try to sign up new members. I would like to thank Armand Innocenzi again for his help in recruiting new members.

We are working on two projects. One is a current roster of members and the other is the database of our cars so members can help with mechanical repair tips, etc. The database is not complete since not everyone has paid their dues. When all members' dues are paid, we can print the booklet.

I hope to see you all at our next meeting at the **Hamilton Library on APRIL 21, 2022 at 7 p.m.**

Edward J. Tirello, Jr. Presiden
