President's Letter

August was a very busy month for our club. Besides a monthly meeting and our cruise nights, we held a mini car show at the Clover Meadows Health and Rehab Center. At that venue we only had 6 cars in attendance. I want to thank the members who attended. It was actually quite embarrassing that there was such a very poor showing for a club with 70+ members who live within 3 to 5 miles of that event. The center was happy to have us and the patients really enjoyed it. They served drinks, snacks and ice cream. Since there were only a small number of cars, I felt it was not fair to accept their \$125 donation. In spite of the poor attendance, the Center is enthusiastic and would like to make a car show a community event. We need to discuss this at our next meeting. We will also consider the possibility of having a show at the Trenton Farmers Market.

Bottom Line: We Need Greater Attendance!

We have 2 cruise nights - September 13 and September 27, 2022. Please attend so that we finish the year on a positive note. The most important and biggest show of our year is the Haldeman Ford Show. We need all hands on deck to help with parking, check-in, etc. Please see Rob to get your assignments. The profits from this show allow us to run the club for the following year. Dues only cover a small part of our costs. (Haldeman and Karl Meyes pay most of the costs) Please plan to attend and invite friends!

Our next meeting will be on **September 21, 2022 at 7 p.m.** at the Hamilton Library. After September, we will meet on the third Thursday of the month. Hope to see you all at our next meeting!

Edward Tirello,
President
