April 2023

President's Letter

It is with a heavy heart that I have to inform all of you about the death of Carl Giambrone. Carl was an active club member for a very long time. He was a good friend to all of us. Besides displaying his white T-Bird and Buick Riviera, he was an avid model train collector with an award-winning American Flyer layout. He will be missed.

Our covered dish dinner was a huge success. We had a total of 50 members and guests. The corned beef, potatoes, cabbage, and carrots were supplied by Foley's Market. The meat was extremely tender. Thanks to all the members who provided homemade foods and desserts and to those who worked to make the dinner a success. Since we had a lot of leftovers, Pat Thayer organized a group to deliver the food to shut-ins and families in the Trenton area. Thank you, Pat!

We have 2 events in April. One is our **Karl Mey's show on April 16** and the second one is the **Hobby Night on April 20**. As we discussed at our meeting, we need all hands on deck to help at the Karl Mey's show. Please come early (8:00 A.M.) if you would like to help. We need assistance in parking, registration and check-in. There are many other tasks, so please contact Rob for an assignment. This year we are trying a new voting system which should make the judging more fair. We are placing the cars into 2 categories; one category will be those cars 20 years and older and the other category will be those cars 21 years and newer. We are also color coding the ballots and using a computer to tally the votes. It is hoped that this method will eliminate voting controversy. Peer judging will still be done.

Years ago, our hobby night was popular and we hope that it will be so again this year. If anyone wants to participate, please bring a sample of the hobby and prepare a presentation to include how you became interested in it; you could include a short history of interesting facts. Please limit your discussion to 10-12 minutes. In order to accommodate everyone and still end the meeting at 8 P.M., we will begin the meeting at 6 P.M. Hopefully, many of you will participate.

I hope to see all of you at the Karl Mey's show and at Hobby Night.

Edward J Tirello, Jr.

President

CARS' N PARTS FOR SALE OR WANTED

Vintage lawn and garden tractors wanted. Anyone who has or knows of anyone disposing of said items, please contact Rob Chamberlin 609-865-5907
