## **President's Letter**

It seems that "all good things do come to those who wait!" We were finally able to find an enclosed trailer for a reasonable price. It needs a little TLC and it will be ready for next year's cruise nights/car show events.

We had our first club breakfast at Jim's American Grill. We only had 9 people in attendance versus 18 people who signed up to come. I hope more people will attend when we have our next one in the spring. Our club picnic was held at Pat and Darryl Camisa's home. It was a big success! Both members and guests attended. We all want to thank Pat and Darryl for hosting the event. The food was delicious and we had a good time!

Our next big event is the Haldeman Ford Show. We again need "all hands on deck" to make this our biggest success of the season. Please see Rob for work assignments. Rob will have flyers to hand out prior to the event.

Our meeting, which is October 20 after the Haldeman Show, will be our annual roast beef dinner. This is a chance for members and their families to "break bread" with fellow members. Please remember to bring your favorite appetizer or side dish. The club will supply the roast beef and its fixings.

Our last cruise night was August 29. While this season did not have as many cars as last year, we are moving the cruise nights back to Hamilton Tap and Grill. We will also have our Classic Car Show there in the spring. We are awaiting the final OK from Trenton Farmer's Market as to the time and date of our final show. They have tentatively agreed on 11/11/23 at 10 a.m. to 2 p.m. We are in the process of restocking our club store. The first item will be a t-shirt with a pocket. Jennifer De Lucia is putting together an order now. If you would like a shirt, see her at our next meeting to make sure she has the correct sizes ordered.

**Our next meeting will be on Wednesday, September 20, 2023 at 7 p.m. at the Hamilton Library.**
